Crafting light, redefining style.

<sup>(EN)</sup> This catalogue presents two distinct product lines: Robin and R-Basics. Both share the same objective: meeting the needs of project professionals seeking contemporary lighting solutions. Robin embodies the creative essence of Barcelona, Catalonia, and Spain, epicentres of innovation in lighting design worldwide. Robin's designs aim to stand out; they exude originality and vitality, reflecting the personality of their designer.

On the other hand, R-Basics prioritises functionality without sacrificing good design. These products are indispensable pieces in the daily needs of contract projects. Therefore, R-Basics is available on demand and with minimum purchase quantities, offering the specifier total freedom to customise finishings.

<sup>(FR)</sup> Ce catalogue présente deux lignes de produits distinctes : Robin et R-Basics. Les deux partagent le même objectif : répondre aux besoins des chefs de projets à la recherche de solutions d'éclairage contemporaines.

Robin incarne l'essence créative de Barcelone, de la Catalogne et de l'Espagne, épicentres de l'innovation dans la conception d'éclairage à l'échelle mondiale. Les designs de Robin cherchent à ne pas passer inaperçus ; ils sont imprégnés d'originalité et de vitalité, reflétant la personnalité de leur designer.

D'autre part, R-Basics accorde la priorité à la fonctionnalité sans renoncer au design. Ces produits sont des pièces indispensables dans le quotidien des projets contractuels. Par conséquent, R-Basics est disponible sur demande et dans des quantités d'achat minimales, offrant au prescripteur une liberté totale pour personnaliser les finitions.

<sup>(ES)</sup> Este catálogo presenta dos líneas de productos distintos: Robin y R-Basics. Ambas comparten un mismo objetivo: satisfacer las necesidades de los proyectistas en busca de soluciones de iluminación contemporáneas.

Robin es la expresión de la esencia creativa de Barcelona, Cataluña y España, epicentros de innovación en el diseño de iluminación a nivel mundial. Los diseños de Robin buscan no pasar desapercibidos, están impregnados de originalidad y vitalidad, y reflejan la personalidad de su diseñador.

Por otro lado, R-Basics le da prioridad a la funcionalidad, sin renunciar a un buen diseño. Estos productos son piezas indispensables en el día a día de los proyectos contract. Por ello, R-Basics está disponible bajo pedido y cantidades mínimas de compra, ofreciendo al prescriptor total libertad a la hora de personalizar los acabados.

(EN) Robin was born in 2021. ## Our process

HAND-CRAFTING DESIGN

<sup>(EN)</sup> Our products are conceived and assembled locally in our factory in Barcelona. This provides us with control as well as speed in launching new products and allows us to be meticulous in the details. It also enables us to be flexible when customising finishing for small orders.

<sup>(FR)</sup> Nos produits sont conçus et assemblés localement dans notre usine de Barcelone. Cela nous donne le contrôle ainsi que la rapidité dans le lancement de nouveaux produits et nous permet d'être méticuleux dans les détails. Cela nous permet également d'être flexibles lors de la personnalisation des finitions pour de petites commandes.

<sup>(ES)</sup> Nuestros productos se conciben y ensamblan localmente en nuestra fábrica en Barcelona. ## Our commitment

SOCIETY & SUSTAINABILITY

<sup>(EN)</sup> We are entrepreneurs committed to our society. Our production process draws upon a valuable network of local suppliers. In our own laboratory, we utilise additive 3D production, reducing waste. We tailor the packaging for each order, avoiding the use of plastic and optimising transportation.

<sup>(FR)</sup> Nous sommes des entrepreneurs engagés envers notre société. Notre processus de production est alimenté par un précieux réseau de fournisseurs locaux. Dans notre propre laboratoire, nous utilisons la production additive 3D, ce qui nous permet de réduire les déchets. Nous adaptons l'emballage à chaque commande, évitant ainsi l'utilisation de plastique et optimisant le transport.

<sup>(ES)</sup> Somos emprendedores comprometidos con nuestra sociedad. Nuestro proceso productivo se nutre de una valiosa red de proveedores de proximidad. En nuestro propio laboratorio utilizamos la producción aditiva 3D, reduciendo residuos. Adaptamos el packaging a cada pedidos, evitando el uso de plástico y optimizando el transporte.

(EN) We are a manufacturer of designer products, and as such, creativity is part of our DNA. Most of our catalogue has been developed internally. However, that doesn't mean we have overlooked the opportunity to tap into the fantastic creative ecosystem that surrounds us. Each of our designers brings something different to the table, and working with them is one of the reasons why we love dedicating ourselves to lighting.

(FR) En tant que fabricants de produits de design, la créativité fait partie intégrante de notre ADN. La majorité de notre catalogue a été conçue en interne. Cependant, cela ne signifie pas que nous ayons négligé l'opportunité de puiser dans le fantastique écosystème créatif qui nous entoure. Chacun de nos designers apporte une perspective unique, et collaborer avec eux est l'une des raisons pour lesquelles nous adorons nous consacrer à l'éclairage.

(ES) Somos fabricantes de productos de diseño, y la creatividad es un elemento intrínseco de nuestra identidad. La mayoría de nuestro catálogo ha sido desarrollado internamente. Sin embargo, esto no significa que hayamos pasado por alto la oportunidad de sumergirnos en el fantástico ecosistema creativo que nos rodea. Cada uno de nuestros diseñadores aporta algo diferente, y trabajar con ellos es una de las razones por las cuales nos apasiona dedicarnos a la iluminación.

(EN) The Rose chandelier offers a unique and creative experience for the user. More than a prefabricated product, it allows active participation in the design process. With its modular approach, you can customize the arrangement and appearance of the luminaire. Individual components, from the canopy to the rings and lights, are provided separately, enabling you to adjust the height and create a personalized lighting masterpiece. This luminaire stands out for its versatility and its ability to empower the user in the creative process.

(FR) Le lustre Rose offre une expérience unique et créative pour l'utilisateur. Plus qu'un produit préfabriqué, il permet une participation active au processus de conception. Avec son approche modulaire, vous pouvez personnaliser la disposition et l'apparence du luminaire. Les composants individuels, du pavillon aux anneaux et aux luminaires, sont fournis séparément, vous permettant d'ajuster la hauteur et de créer un chef-d'œuvre lumineux personnalisé. Ce luminaire se distingue par sa polyvalence et sa capacité à autonomiser l'utilisateur dans le processus créatif.

(ES) El candelabro Rose ofrece una experiencia única y creativa para el usuario. Más que un producto prefabricado, permite participar activamente en el diseño. Con su enfoque modular, puedes personalizar la disposición y apariencia de la luminaria. Los componentes individuales, desde el florón hasta los aros y las luminarias, se entregan por separado, permitiendo ajustar la altura y crear una obra de arte lumínica personalizada. Esta luminaria destaca por su versatilidad y su capacidad para empoderar al usuario en el proceso creativo.

(EN) Rubi stands as an exquisite lighting masterpiece, showcasing a matte black conical dome paired with a luxurious golden interior. This collection gracefully extends its elegance into pendant lighting, presenting a visually stunning allure. The Rubi pendant not only captivates aesthetically but also offers versatility, making it a truly refined choice to illuminate any space with distinctive style.

(FR) Rubi se présente comme une pièce d'éclairage exquise, arborant une coupole conique en noir mat associée à un intérieur luxueux en doré. Cette collection étend gracieusement son élégance à l'éclairage suspendu, offrant un attrait visuel époustouflant. La suspension Rubi ne se contente pas de captiver esthétiquement, mais offre également une polyvalence, en faisant un choix véritablement raffiné pour illuminer tout espace avec un style distinctif.

(ES) Rubi es una obra maestra de iluminación, presentando una cúpula cónica en un elegante negro mate y un interior lujoso en tono dorado. Esta colección eleva la elegancia a nuevas alturas en la iluminación colgante, ofreciendo un atractivo visual impresionante. El colgante Rubi no solo es estéticamente cautivador, sino que también brinda versatilidad, convirtiéndolo en una elección verdaderamente elegante para iluminar cualquier espacio con distinción y estilo.

SIGO,

(EN) Rain goes beyond mere lighting; it embodies a seamless marriage between natural aesthetics and geometric precision. Crafted from sustainable chestnut wood sourced from FSC-certified forests, its hexagonal pyramid base radiates an eco-friendly elegance that captivates the eye. Paired with a gentle fabric shade that enhances the wood's warmth, the lamp boasts a resin diffuser for uniform and flawless illumination, adding a touch of natural charm to any space.

(FR) Rain va au-delà du simple éclairage; elle incarne un mariage harmonieux entre l'esthétique naturelle et la précision géométrique. Fabriquée en bois de châtaignier durable provenant de forêts certifiées FSC, sa base pyramidale hexagonale irradie une élégance écologique qui captive le regard. Associée à un abat-jour en tissu doux qui rehausse la chaleur du bois, la lampe est pourvue d'un diffuseur en résine pour un éclairage uniforme et parfait, ajoutant une touche de charme naturel à tout espace.

(ES) Rain es mucho más que una lámpara; es la fusión armoniosa entre la belleza natural y el diseño geométrico. Elaborada con madera de castaño sostenible proveniente de bosques certificados FSC, su base piramidal hexagonal irradia una elegancia ecológica que cautiva. La suavidad de la pantalla de tela complementa y resalta la calidez de la madera, mientras que el difusor de resina asegura una iluminación uniforme y perfecta, añadiendo un toque de encanto natural a cualquier espacio.

(EN) Rose transcends the typical lamp – a cylindrical and elegant fixture, versatile as both surface and pendant light. Available in three finishes and sizes, it brings sophistication while seamlessly blending durability and contemporary style through the harmonious combination of brass and textile cable.

(FR) Rose va au-delà de la simple lampe - une pièce cylindrique et élégante, polyvalente en tant que lampe de surface ou suspendue. Disponible en trois finitions et tailles, elle apporte sophistication tout en combinant avec élégance durabilité et style contemporain grâce à la fusion harmonieuse du laiton et du câble textile.

(ES) Rose no es simplemente una lámpara; es una pieza cilíndrica y elegante que puede adaptarse como lámpara de superficie o colgante. Con tres acabados y tres tamaños distintos, esta lámpara no solo añade sofisticación, sino que también logra una armoniosa fusión entre durabilidad y estilo contemporáneo, gracias a su estructura de latón y cable textil.

<sup>(EN)</sup> This catalogue presents two distinct product lines: Robin and R-Basics. Both share the same objective: meeting the needs of project professionals seeking contemporary lighting solutions. Robin embodies the creative essence of Barcelona, Catalonia, and Spain, epicentres of innovation in lighting design worldwide. Robin's designs aim to stand out; they exude originality and vitality, reflecting the personality of their designer. On the other hand, R-Basics prioritises functionality without sacrificing good design. These products are indispensable pieces in the daily needs of contract projects. Therefore, R-Basics is available on demand and with minimum purchase quantities, offering the specifier total freedom to customise finishings.

<sup>(FR)</sup> Ce catalogue présente deux lignes de produits distinctes : Robin et R-Basics. Les deux partagent le même objectif : répondre aux besoins des chefs de projets à la recherche de solutions d'éclairage contemporaines.

Robin incarne l'essence créative de Barcelone, de la Catalogne et de l'Espagne, épicentres de l'innovation dans la conception d'éclairage à l'échelle mondiale. Les designs de Robin cherchent à ne pas passer inaperçus ; ils sont imprégnés d'originalité et de vitalité, reflétant la personnalité de leur designer.

D'autre part, R-Basics accorde la priorité à la fonctionnalité sans renoncer au design. Ces produits sont des pièces indispensables dans le quotidien des projets contractuels. Par conséquent, R-Basics est disponible sur demande et dans des quantités d'achat minimales, offrant au prescripteur une liberté totale pour personnaliser les finitions.

<sup>(ES)</sup> Este catálogo presenta dos líneas de productos distintos: Robin y R-Basics. Ambas comparten un mismo objetivo: satisfacer las necesidades de los proyectistas en busca de soluciones de iluminación contemporáneas.

Robin es la expresión de la esencia creativa de Barcelona, Cataluña y España, epicentros de innovación en el diseño de iluminación a nivel mundial. Los diseños de Robin buscan no pasar desapercibidos, están impregnados de originalidad y vitalidad, y reflejan la personalidad de su diseñador.

Por otro lado, R-Basics le da prioridad a la funcionalidad, sin renunciar a un buen diseño. Estos productos son piezas indispensables en el día a día de los proyectos contract. Por ello, R-Basics está disponible bajo pedido y cantidades mínimas de compra, ofreciendo al prescriptor total libertad a la hora de personalizar los acabados.

<sup>(EN)</sup> **Eco-Friendly Commitment**

At Robin, we embrace a deep sense of responsibility for the planet as a fundamental aspect of our corporate philosophy. Recognizing the impact of our daily operations, we've instituted a dedicated committee to cultivate a sustainable culture that encompasses all facets of environmental responsibility.

<sup>(EN)</sup> **Comments**

In the pursuit of customer satisfaction, we wish to highlight the following regarding Robin products:

1. Please adhere to the indicated power specifications and refrain from using lamps with higher wattage.
2. For cleaning, we recommend utilizing a soft, dry polishing cloth due to the high-quality finishes. Avoid the use of specialized cleaning products that may compromise the finish.
3. All models benefit from patent protection.

<sup>(EN)</sup> **Changes to products**

Robin retains the right to make adjustments or discontinue products in the catalog without prior notice. For the latest product availability and specifications, we encourage you to visit our website.

<sup>(FR)</sup> **Engagement Éco-Responsable**

Chez Robin, notre responsabilité envers la planète est au cœur de notre philosophie d'entreprise. Conscients de l'impact de nos activités quotidiennes, nous avons formé un comité dédié pour instaurer une culture durable englobant tous les aspects de la responsabilité environnementale.

<sup>(FR)</sup> **Commentaires**

Dans notre démarche pour assurer la satisfaction de nos clients, nous tenons à souligner les points suivants concernant les produits Robin

1. Nous vous prions de respecter les spécifications de puissance indiquées et d'éviter l'utilisation de lampes d'une puissance supérieure.
2. Pour le nettoyage, nous recommandons l'usage d'un chiffon doux et sec en raison des finitions de haute qualité. Évitez l'utilisation de produits de nettoyage spécialisés susceptibles de compromettre la finition.
3. Tous nos modèles bénéficient d'une protection par brevet.

<sup>(FR)</sup> **Ajustements et modifications de produits**

Robin retains the right to make adjustments or discontinue products in the catalog without prior notice. For the latest product availability and specifications, we encourage you to visit our website.

<sup>(ES)</sup> **Compromiso Eco-Friendly**

En Robin, asumimos firmemente nuestra responsabilidad con el planeta como parte esencial de nuestra filosofía empresarial. Conscientes del impacto de nuestras operaciones diarias, hemos creado un comité especializado para cultivar una cultura sostenible que abarque todos los aspectos de la responsabilidad ambiental.

<sup>(ES)</sup> **Comentarios**

En nuestra búsqueda de la satisfacción del cliente, deseamos destacar lo siguiente acerca de los productos Robin:

1. Les solicitamos respetar las especificaciones de potencia indicadas y abstenerse de usar lámparas con una potencia superior.
2. Para la limpieza, recomendamos utilizar un paño suave y seco debido a los acabados de alta calidad. Evite el uso de productos de limpieza especializados que puedan comprometer el acabado.
3. Todos nuestros modelos cuentan con protección de patente.

<sup>(ES)</sup> **Modificaciones a los producto**

Robin se reserva el derecho de realizar ajustes o discontinuar productos en el catálogo sin previo aviso. Para obtener la información más reciente sobre la disponibilidad y especificaciones de los productos, le recomendamos visitar nuestro sitio web.
